REMARKS: USGS has applied a datum correction to the Stampede elevation of -0.22' on -482 AF. Correction goes back to 10/1/02, so Nat & has not been as high as daily data showed. Shutting Boca off because we are now out of late water due to correction. Boca will stay off until we can pay post 10-1 rates back up to 9/5 AF. Correction adjustments caused post 10-1 rate water to be released so it must be raised back.
